Put some “Fun” in Funding!

Please join us for a great day of golf to benefit an outstanding health resource for our community: Windham Hospital. The event will be held at the University Club of Connecticut in North Windham where you will experience the talents of a seasoned pro, great chef and the kind of service you would expect at some of the most prestigious clubs in the country.

We will have both morning and afternoon rounds of golf complete with breakfast, lunch and dinner. On-course contests, a golfer gift, and generous prizes for the winning foursomes make this event one of the highlights of the golf season. Whether you're a beginner or an experienced golfer, the scramble format makes the event fun for every level of play. Again this year, we will include a prize for mixed foursomes to encourage more women to participate in the event.

There are many ways to become involved in this community event from sponsorships to door prizes to direct donations. We hope you will join us in supporting Windham Hospital, a partner in Hartford Healthcare. Thank you.
